The Premises:

Pearl visited me at my cottage just out side exeter, on a very rainy day(not good to drive in)

The Lady:

Pearl has a very athletic, petite shape with an ass to die for and legs to match, her nipples are very responsive and her pussy is just perfect

The Story:

With the business end of things out of the way, which Pearl made very easy, I asked her to strip for me, I could hardly keep my hands off her wonderful body, My first thought was to have her over my knee and redden her sweet ass. very stimulating with Pearl pushing all the right buttons.

I then took her up to the bed room were I spent two wonderful hours indulging my love of toys and pussy eating, she become very wet and with her hands tied she allowed me to indulge my self.

All in all a grate two hours with a very naughty fun lady that i will be seeing again in the very near future
