### The Premises:

Entrance is a gravel walkway between small shops, very discrete and safe. Door is on your right. Four girls working on the day, I chose Sally( I have a preference for busty brunettes ). First spent some time in the sauna, took a shower and gladly accepted a cold drink, I had already received a cup of coffee when I arrived.

### The Lady:

About 5'4" black hair, pretty face and magnificent bust. Sally was wearing a sexy black top and very short denim skirt.

### The Story:

Sally said she had a stiff neck so I gave her a neck massage and eventually my hands started moving south and removed her bra. What followed was plenty of genuine kissing and our hands went everywhere. Use your imagination as to what happened. I am assuming Sally quite liked me considering what we did for each other. Sally is a lady who likes oral and shows it. Oral is with a condom.

Wow what a brilliant session with a super lady who is so confident in the room. Thanks Sally will return soon xx
