### The Premises:

Small flat in a well known apartment block in Queensway - 2mins from tube. Usual dooreentry system. Apartment was small - more a bedsit really - but clean and warm.

### The Lady:

Barbie is tiny, slim built Thai girl with an amazing smile! Not one if you like latin curves in the chest or ass, but full of beans and willing to please.

### The Story:

An excellent punt. Barbie hsa had good write ups on the agency site, and deserves a favourable post or two here as well. She may be tiny but she has incredible energy. Lots of snogging, a great shared bath, plenty of OWO and definitely not a 'lie back and take it' girl. The only drawback is that being so tiny, sex has to be slower and more gentle - not one for the 'good hard shag' brigade, but that in itself is a pleasure. All in all a lot of fun and definitely worth the money.
