The Premises:

Basement flat with an unusual circular bed. Close to Anerley station and easy, free parking in the street behind the flat. On bus route(s) but don't ask me which! Front and rear entrances - regulars use the rear entrance! Clean and welcoming including shower facilities.

The Lady:

Slim but curvy Polish Girl in her mid twenties. Radiant smile. Medium dark hair. Very bubbly and friendly nature. Down below she is almost au natural - just slightly trimmed.

The Story:

I beat my way down to the wilds of Anerley on the basis of some good Punternet reports on Lisa, and I was certainly not disappointed.

I was welcomed by the rather cuddly maid and offered refreshment - she produced a cup of teas exactly to my taste and ushered me into the bedroom.

Lisa entered the room and quickly disrobed. A heavenly sight met my eyes, she is just nicely proportioned without being too well covered! We quickly moved to the bed for some mutual exploration and some prolonged foreplay.

We then had sex in three positions, culminating with doggy with Lisa standing, arms braced on Debbies "school desk". The thought that came into my head was of the errant pupil servicing the randy teacher!

She then took her time to clean me up and I had a chance to finish my tea, although what I really needed now was "a cup of tea and a lie down"! We had gone somewhat over the thirty minutes and I think the session could have gone on longer if it was not for another client waiting to sample Lisa's charms.

Highly Recommended - I will return.
