Notes: Formerly in Baldock

The Premises:

Flat on a busy street in Baldock. Entrance not that discrete and next to a church. The entrance hall was pretty smelly, as it was home to a wheelie bin. Stairs up to the flat were also a bit dirty, but the bedroom was nice, dimly lit, big mirror in the corner somewhere (and warm too after Sam turned the radiator on).

The Lady:

Sam was about 21 years old, pretty face, shoulder length dark hair with some highlights. Very slim but also very busty - size 8 I would guess, about 5'8" tall maybe. Nice big boobs - D cup I was told on the phone. I thought she was a sweet girl, not too chatty but friendly. She was wearing a thong and basque when she answered the door.

The Story:

Good visit, although I just remembered the prices were ?60 for half hour or ?70 for CIM. I didn't CIM but still came twice so that is ok with me.

Started off with a massage, a bit of chat (not too much though which is good!). Then she turned me over for some amazing oral, ball sucking, lots of slurping and moaning noises. She then moved up for some kissing, slipping off her knickers in the process letting me give her a good fingering. She felt wet and seemed to really enjoy this, thrusting against my hand. She continued to play with my old man, and with all the deep passionate kissing I soon came... not sure whether she did or not!

She bought me back to life with some more expert oral, then on with a (rather hideous) bright green condom to finish the half hour with some pretty passionate shagging!

Good half hour, money well spent!
