The Premises:

Recently refurbished parlour, to a very high standard, in pleasant part of city. Very safe and easy to park.

The Lady:

Mid 20's girl next door. Nice tits and arse but a really retro look with an unshaven pussy. A long time since I saw one of those!

The Story:

Good fun girl in a really old fashioned and retro way. Good oral with hat on and enjoyed her orgasm when I licked her out. So odd getting tickled on the nose with pubic hair reminded me of my student days in the 80's.

Great shag afterwards - an overall very pleasant time with a nice girl.
