The Premises:

Slightly scruffy bedsit right near Lancaster gate - Certainly not the best but ok

The Lady:

Pretty girl - but not a real stunner but with nice slim body which I only really noticed late on - Sweet pussy with big pussy lips

The Story:

An agency recommendation as others I wanted to see were not available

Weird one really - like Viv isnt really into it but kind of makes an effort --

Nice fk throughout and half decent BBBJ and at one point she said cum in my mouth - but at the same time during the fucking she seemed to want me to cum quick. I didnt, but stopped, and after a break I fucked her again for quite a while but with no real complaint and with Viv seeming to get into it a bit till i had a nice cum

Nice pussy to suck on too with big big pussy lips and trimmed only where required

No real effort on Vivs part for a 2nd go but all the same I liked her. She spoke good English and had a sence of humour. Nice. She almost seemed too nice --
