### The Premises:

The building is a little dull, but flat is nice and clean. I felt quite comfortable and safe there.

### The Lady:

She matches the pictures on her website. She's got a nice curvy figure: medium sized breasts and a terrific bottom. Almost shoulder length brown hair and a very cute smile.

### The Story:

Emma is a submissive and I've had a long time urge to tie someone up and have my way with her. I've never really done it before and she was great in helping me get going. We did a little role playing where she was a naughty school girl and I got to spank her lovely bottom before tying her to the bed and taking care of business. The cost for an hour is 200, but I added some extras (a-levels while being restrained) which bumped up the price. Very worth it. Too bad I don't live in London--I'd become a regular. Next time I'm up from the Riviera I'll be sure to stop in.
