The Premises:

New city apartment, nice area, very safe with a discreet entrance. Her place is a little on the small side but very comfortable, clean and very well presented.

The Lady:

She looks as lovely in the flesh as she does on her website and has a personality to match. Cara made me feel at ease almost immediately.

The Story:

Arrived at her flat following directions given to me on the phone. Had a nice friendly chat over a glass of wine before getting down to business. Without giving too much away started with a massage, then had sex in various positions all of which was amazing. Cara is a super sexy, well presented lady that offers a first class sensual service. I will definitely be visiting her again when next in the area.
