The Premises:

As reported on many times before: entrance from porch off the street to a lift which is taken to the first floor (the girls wait on the second, and I gather that, also up above, the erstwhile dungeon is being refurbished and reinstated. Clean, and with dedicated free parking. There are five rooms, all well furnished and equipped with DVD -players.

The Lady:

This was Katie's first day here, though she'd previously worked at a place on Pershore Road. She's a very curvy lady - though not OTT - and has gorgeous big tits (34DD), with both nipples pierced. Probably late 20s / early 30s.

Monica is Spanish (from Madrid) and is a friend of Donna's who's worked at Blue Ice for some time. In fact, she looks remarkably like Donna: long dark hair, smallish but pert titties, slim and tall, with fantastic laong legs. Probably early / mid 20s. This was only her second week here.

The Story:

Both girls were very enthusiastic and willing. After a sexy strip in front of one of the large mirrors, I had DFK, OWO (?10 each on top of the standard 2-Girl charge of ?80), then all sorts of shagging and snogging in different combinations. Finally, I came all over their tits, and finished with a finger-tip massage while I got my breath back (not to mention a little stability in the legs!)

Hugely recommendable (as are all the girls here at the moment: only Sophia won't do a 2-Girl!)
