Good looking petite indian girl dressed to impress and I was impressed.

The Story:

Got the bits and pices out of the way and onto the bed in anticipation.

A massage to start with but that soon turned into more.

Worked through stuff and a longish 69 where she had me close to coming.

\on with a mac and slipped into her from behind.

Into mish with on her back and fucked her senseless (or was that me that wa senseless?).

Very nice shag and good vale for money
