The Premises:

Quiet culdesac in Dunstable - inside was clean and tidy and safe parking on her driveway

The Lady:

Hard to say - early-mid 40's dressed in blouse, short skirt, stockings and high heels. Was instantly welcoming and friendly.

The Story:

Undressed and lay on her massage table which is in the middle of her living room. Whe undressed to her underwear - she suggested that she does oral for an extra tenner and sex for extra twenty - but i was happy for massage with hand job. The massage was good, slow and deliberate and then increasing attention paid to my arse, which she gently played with before inserting a finger. Turned over to a great oily handjob - was able to play with her tits and again she gently played with my arse with one and the other stroking my cock. She was great at keeping me cose but not going over the edge for several minutes before i shot my load. She wiped me down with clean towels - not sure if a shower would be possible. Highly recommended.
