The Premises:

Small house off the Iffley Road in East Oxford. It's right opposite a couple of small garages which is a little off putting. The house inside was OK and the room I was showed to was small but clean.

The Lady:

Erica was small with long dark hair and pert breasts. I would say she was of Mediterranean descent and she was very friendly.

The Story:

I paid a little more to have OWO and A and I was very happy with the choice. Erica was very good at oral and I had to turn her over and concentrate on her just to stop myself exploding. Erica said it had been a while since she had done A and was very keen that we took it easy to begin with, however after a few minutes she was encouraging me to go deeper. All in a very enjoyable time.
