The Story:

Since I decided to call Max's and met Rachel I keep asking myself why I hadn't done this before. I've been with at least 7 other WGs in London and nobody comes within a mile of the service offered by Rachel. She's warm, passionate and a pleasure to be with.

She introduced me to her hotel room, offered me a glass of wine and we soon started kissing and some great sex followed. She told me she orgasmed twice; not sure I should believe her but she sure seemed to be pleased by our encounter. I definitely was, like I've never been before.

Details of what we did will remain between her and me. Suffice it to say that I didn't want to push her beyond what she seemed enthusiast about providing, which was excellent, but I might ask her some more when I meet her next.
