The Lady:

I'd been to several Max's parties, but the first in quite a while as there hadn't been any since October 2008. It was an evening party and was well attended, which meant extra girls were drafted in (which was a nice surprise!). Attending were Tammy (tall, brunette), Nikki (blonde, sultry), Jools Brooke (porn star, petite and gorgeous), Angie George (ex porn star, tall, filthy!), Anastasia (blonde, model looks, Eastern European) and Tiana (petite, dark and lovely).

The Story:

After all the introductions and formalities I got down to it with Anastasia in the sitting room. She's model gorgeous and she stood in front of me while I was sitting on the sofa, sucking me off, while another guy played with her from behind. Her oral skills, combined with her loud moans of pleasure in that Eastern European accent, got me going fast and in no time at all I was spunking my first load of the evening.

After a brief pause I decided I needed to spend a decent amount of time with Nikki. I'd met her a couple of times before, but not for over a year, so was keen to get jiggy with her. She's blonde, sultry and ever so naughty. She started with a long oral session, sucking and licking my cock and balls in all sorts of ways, then I returned the favour on her before the condoms came out and we started shagging. Doggy style, me on top, her on top, we went at it hard. Then another guy came along and Nikki was up for some DP action, but unfortunately we just couldn't seem to get in a comfortable position together, so we abandoned that idea and I just took her up the arse myself after much lubing up (it's a hard life!). Finally she sucked me some more and Angie came over to help out. Mentally I wanted to explode over both of them but my body wasn't quite ready, so I had to apologize and pause for a drink and a bite to eat.

Angie got the benefits shortly after though. Following some sucking, wanking and her usual level of filthy talk I was ready and came all over her firm breasts.

After a longer break for food and conversation, Tiana came in (she hadn't been there from the start). I'd never met her before - she's petite, dark and lovely, more a GFE than a PSE if you like. I was one of the first to get to play with her; first some lovely deep kissing, a bit of oral both ways around, then she spread her legs (she was wearing some sexy red/pink fishnet stockings) and I got on top of her and shafted her - lovely! Shortly after, Angie came in and introduced herself to Tiana. After saying nice things about each other they clearly decided they wanted to know each other more intimately and got down to a sixty-nine on the bed with Angie on top while I and three other guys watched. If this wasn't sexy enough, Angie is old enough to be Tiana's mum so there was something a bit kinky about this as well. Anyway, it was clearly doing the trick, so they finished licking and lay next to each other while Angie asked everyone to spunk over them. I and another guy gave them what they wanted, spurting hot cum over both their sexy bodies.

A longer break, some chat with Max and one of the other guests, and then there was still half an hour left. I didn't feel I quite had it in me to cum again, but that didn't stop me wanting to play with the other girls. First I went with Tammy. She was wearing knee-high boots with high heels and she's pretty tall to start with, so she towered over most people. A bit of oral ensued, then I gently inserted one finger in her moist pussy and played with her. This got her going and she asked me to put more fingers in, first two, then three, then four. I thought she wouldn't take any more, but she wanted it all in there, so I had to try! While I couldn't quite get in up to the wrist, my hand was most of the way there and she ordered me to keep it in while she blew another guest. It was so tight I was actually getting cramp in my arm! Perhaps fortunately the guy then came in her mouth and that naturally forced a change of position and I could finally get my hand back!

Finally I had a bit of a chat and play with Jools on the sofa. By this time she'd changed into a black lacy body stocking that really suited her petite but toned body. Her hair and make-up were really top notch too, to me she looked much better in the flesh than any photos I'd seen. She lay down on the sofa and sucked me hard while I ran my hands over her body, giving me those oh-so-naughty teasing looks from time to time. I was never going to be able to show her my appreciation properly by this point, and we had run out of time, but she's definitely now high on my list of girls to see again.

A fantastic party that pushed my body to its limits. I slept well that night!
