The Story:

Patricia made me feel welcome when I arrived at the house she was using. The session with Patricia was different from other punts. Instead of starting with a massage we started french kissing immediately. This is the best punt I have had so far. Many WGs claim they offer the girlfriend experience and this was definately a girlfriend experience as sex with Patricia felt like the type of sex you have with a partner rather than a WG. Her oral and kissing are superb. To my suprise I was allowed to place my fingers in her fanny which I thought WGs never allow. This lady is quite a find in an area with a limited punting scene.
