### The Premises:

Smart new build flats, have to press intercom to get let in and then shown to the flat by receptionist

### The Lady:

One word stunning!!! Petite 18 year old brunette about 5'4" with b/c cup breasts with a hard body that only an 18 year old could have.

### The Story:

When I enter the flat I was introduced to the two ladies Shannon and Charlie, Shannon is a very attractive woman in her mid twenties, tall with blonde hair, but having a fondness for shorter ladies with brunette hair I choose Charlie.

When Charlie came into the room we sorted out thye money and she left briefly and came back in. We started kissing, which started out as pecks but then grew into a very good DFK all the time I was playing with her amazing body, after a while I decided that I want to do the thing I enjoy the most and went down on Charlie and did this while she had about 2 or 3 small, quiet, orgasms.

After this it was my turn and Charlie proceeded to give a very good OWO and just as I was getting into in and was ready to get into that tight body the knock came on the door!!!

So I left not having scratched my own itch. However, I do not blame Charlie for this as it was my own fault I spent far too long do that thing I enjoy.

Charlie was a quiet girl and I think she is a lady who you would need to visit a couple of times before you really see the best of her. However, she is good at what so does and is very responsive.

She is by no means a an actor and I found all the little gasps and moans she made to be real and I enjoyed that, as I do not like it when I feel the lady is playing to the audience.

I would definitely see her again even if it was just to get to finish what I started this time.
