The Premises:

IM is located on quite a busy street, just outside town centre. Easy to find, with loads of parking nearby. Note, pay & display street parking has loads of traffic wardens so dont over-run! Inside IM is very nice and well run. Nicely laid out with large rooms c/w mirrors and bath.

The Lady:

Sara's description on the web-site is accurate, lovely natural physique, very busty and a pretty face!

The Story:

First visit to IM and had been meaning to see Sara for ages! Timing and having to drive past HOD had stopped me on previous attempts.

Took a little bit of organisation, because I think Sara was running a late today or I was early (probably the latter!!), but receptionist friendly and helpful.

(as a quick aside- I had left early in anticipation of my visit, had 30 mins to kill, so popped into local Kwik-e-mart, as I came out, stunning girl passes and says 'Excuse me is this Tavistock Road'

'Yes' I reply, 'where you looking for'

'Oh.. number **'

Well as I know this was IM, I pointed her in the right way, doing a Colombo, 'whats you name?' note to self - must see Kelly!)

Anyway, not the point of this report!

Sara entered the room, and was immediately very friendly and chatty. As stated before, I am a nervous punter, and Sara picked up on this and did everything she could to relax me. Started with functional massage and a good chat. Sara moved alongside me and we explored each other. Plenty of teasing stokes and cuddles, .

In fact that was the tone of the whole punt, a really good fun time with a sexy girl who enjoys what she does, and wants you to too.

Oral was covered, and very good, loads of eye contact and tongue action, worth the visit for that. One really nice thing, when I went to move things on, she told me to relax and said there's plenty of time. Definitely the first time that has ever happened! a very unrushed atmosphere. Sex was a combination of miss and doggy, and for some reason I managed to use all of the time available, which re-affirms my points about Sara's relaxed and friendly attitude.

Basically, Sara is a sexy, busty girl, who will give you what you want. By that I mean, I think she is one of those who can spot the signs of different punters, and although I've only met her once, I don't think she has a 'routine'.

Only one way to find out.....
