### The Premises:

La Maison is fine. Good parking and easy entrance

### The Lady:

Tamzin doesn't have any pictures on the website. She is slim and good looking. Nice slim body, not toned, but good shape, a decent size 8. Tits are natural and in good proportion, a perfect handful. She has a smiley, attractive face and a very attractive way about her. I think she looks a bit like a slim Michelle Ryan

### The Story:

Tamzin was in the room from the get-go and offered me a shower. Now here is the special point - Tamzin does CIM & swallows cum.

Obviously, I paid for this, only ?45. Started with some slow kissing and wandering hands, on both sides, before she slid down and started to suck cock. So I laid back and set myself to receive a good blowjob.

Tamzin has exceptional cocksucking skills and is the only WG I have been with who really knows how to use her hand while eating meat. She sucked cock slowly, responding well to commands and slowing down as required. More importantly, she remembers. I loved the bit where she took my cock out of her mouth and run her tongue up and down it a few times. I don't usually like my balls being stroked, but even this felt good from Tamzin.

Got to say, I've never had a stiffer like Tamzin gave me and so I just had to fuck her. I went for cowgirl (I don't like to do any work you see) and she rode me slowly & deeply, while I ran my hands over her body. 5 mins later and she took my cock out of her pussy, took the rubber off and got down to some very sexy cocksucking.

I couldn't last much longer, so I asked her to slow right down and managed another couple of minutes before shooting a massive amount of jizz into her mouth. It was then lovely to see this

beautiful girl, clean the cum drips from her lips into her mouth and swallow a mouthful of cum.

I usually go to Sandys because the girls are generally the best looking. Tamzin is up there with the best looking of them. She is also the best cocksucker in the North West. I don't normally repeat visit as I always like something new, but I have to go back to Tamzin to see if she really is that good at cocksucking. A beautiful girl who eats and swallows cum. La Maison has a gem here and I don't think they know it.
