The Premises:

2nd visit to this establishment. Reasonably clean, easy parking, perhaps a tad open to the public, it's above a motorbike shop on a fairly busy street. Nice area. The maid on duty was very fanciable!

The Lady:

Wow, a gorgeous chatty cuddly Spanish lady. Extremely long hair which looked fantastic laying over her boobs, not sure if it was extensions or not - who cares. Stunning body, hardly any fat (although she thought she could lose a couple of pounds - I didn't). Exquisite boobs (natural), great ass and fit legs. Very touchy lady who knows how to please a man.

The Story:

Started with a very nice massage, including a good rubbing of my cock between her baby-oil covered breasts. Wonderful head while I fingered her lovely moist pussy. This girl can deliver a blow job. Cowgirl sex (I was feeling lazy) which made me come way too soon. Well worth it.
