### The Premises:

Central location, easy to find, discreet entrance. Flat was small, but comfortable.

### The Lady:

Pictures are accurate. She is quite petite with great tits, wonderfully soft skin and very kissable lips

### The Story:

My first punt with Layla, after reading previous reports and visiting her website I finally took the plunge, and thoroughly enjoyed myself.

Layla welcomed me wearing a red basque and she made me feel very much welcome.

All services were offered except anal, all services offered were greatly received. I genuinely believe I made her cum twice. Amazingly during our long 2nd session I cheekily asked to take a photo of the climatic end, to preserve the moment....
