The Premises:

Blue Ice is well reported on, with it's famous lift and comfortable rooms

The Lady:

Petite light skinned Indian lady I would guess she is about 5'5" and sixe 8-10 smallish boobs but with very responsive and sensitive nipples. Said she was 25 and I would have believed younger than that, maybe 22-23.

The Story:

After a disastrous punt with Tiffany I had gone back to the girls I knew ? Donna and Charlie, but today after watching the football I decided that I fancied an Indian and I am so glad I did.

I introduced to four girls (including Donna) all look great, the last to come in was Sophia and I was lucky because an appointment she had had cancelled at the last minute meaning she was all mine for half an hour.

There are two things I enjoy in a punt and these are a good GFE and a woman who doesn?t overact, and Sophia filled both criteria. She came in and we chatted a bit discussing what I wanted and then we started kissing and some foreplay which eventually led to a bit of reverse O which Sophia said she enjoyed cumming twice, (pat myself on the back!!!).

We moved on to covered O for me which I must admit was the best I have ever had and after a good 10 mins I decided I needed to get inside Sophia so we had sex in Cowgirl, Doggy and Missionary, but I wanted to go back to O to finish.

Once we had finish, we had the normal clean up and chat and I left a very happy, tired and satisfied punter.

This girl gets busy and with good reason ? another gem in the Blue Ice stable. Thanks Sophia.
