The Premises:

Quiet location and roadworks along the lane. Easy to access and comfortable house with good rooms, though the one i had was not ensuite. Just 2 women on duty and not on web-site which i think is out of date.

The Lady:

Striking attractive woman in late 30's and with superb figure, pleasant face and well groomed. Wearing bodice and stockings, boobs i think enhanced?

The Story:

She was wonderful, well skilled and efficient and kept to time. No price was fixed or taken at the beginning just a ball point figure of between ?50-70 with house fees paid in advance of ?12. I guess time flies and would have liked longer. Wished i had said no need for massage at beginning, remember next time to ask.
