The Premises:

Private house very clean and tidy. Easy to find, lots of space for no residences you just need to pay on the machine for parking.

A very nice area and I felt very safe.

The Lady:

5.6 tall stunning blonde with blue/green eyes, just like you can check on her pictures on the web site, although that on the fresh she looks so much better?. Shine long blonde hair, 34C-22-34, she says she is 21 years old but must be around 23. She has the naughtiest eyes and smile I had seeing....

The Story:

I explained on the phone that I like to be tied and teased. She said it was not a problem, once there she proceeds to tie me down and slowly tease me with her hair, nails, fingers, etc. She asked if I wanted it rough, and I said OK, she went out of the room and come back dressed on a black pvc cat-suit, high heels boots up to her thigh, some dildos and strap-ons and others toys! She started on pinching my nipples. After a while playing, she hopped on, and rode for a bit, and hopped back off... She did this for a while, bringing me close to the edge and then pulling back. Finally, she rode me to a great orgasm.

I got a shower and went home unstressed!
