The Lady:

Although Bonnie will tell you her best feature is her eyes(and yes they are gorgeous Bonnie)she is also extremely pretty and has a fantastic smile to match.If you like petite feminine women then you'll love bonnie as she is as fit and horny as fuck .

The Story:

had a great time with this girl. I had a much better time than I expected and completely lost track of time. If you want a premium gfe
punt Bonnie is a must.

I am hoping to book again soon She definately got me hooked with just one visit. I recall giving Bonnie oral and she 's got the cutest looking, sweetest tasting flower I've ever sampled 'what a treat' she gives very sensual massage which in itself could be considered a complete experience,good oral ,doggie ect,ect in fact everything you could possibly expect from a very experienced escort.

Bonnie is friendly warm attentive and tactile and if you treat her nice she responds accordingly as she genuinely enjoys her working life.Go
