The Premises:

Clean and well maintained house. On a busy road though, and I'm sure everyone can see you going in and out.

The Lady:

Lisa is very busty (enhanced), 32FF-22-32 says her website and I certainly wouldn't dispute that. The Lacey's website says she is in her 20's, her own website says she is in her thirties, which is a bit more accurate - but better for me I wanted an encounter with a busty MILF looking lady. She wore high heels and black hold-up stockings, which stayed on, and a bra and panties set which didn't - which is why I don't remember much about them!

The Story:

I called Lacey's Massage and got the details of the girls available (they generally always have 2 girls available apparently)

I arrived at the house and was let in by the maid, who led me upstairs to one of the bedrooms, it was clean and nicely furnished.

The maid said she would send the girls in. Firstly a girl called Lauren came in and said a brief hello, she had fairly big nice boobs too, but I had come to see Lisa, perhaps next time!

Then Lisa entered, dressed in the attire I mentioned above. She was friendly and chatty. I was quite nervous as I had not really punted for some time, and hadn't been with a white women for years! But she was lovely.

After getting the money out of the way, I stripped naked and Lisa gave me an oily back massage, her dressed only in stockings and high heels. She rubbed her huge tits over my ass which felt great.

Then I turned over and I got my hands on those huge tits, groping and sucking them, and eventually fucking them.

Lisa offered OWO, and got to work sucking me. Eventually I had to ask her to slow down, as I was getting far too excited! So we had a kiss and cuddle and more groping and sucking of her tits.

Then on with a rubber and Lisa rode on top for awhile, then I got on top and fucked her, staring at her huge tits whilst she played with them. Lisa has a really tight pussy too, lovely!

Then I fucked her doggystyle, watching ourselves in the mirror on the side wall, seeing her tits sway back and forth in time to my pounding.

But her pussy is so very nice and tight so I couldn't manage much longer. So whipped off the condom and fucked her huge titties until I shot my load over her big boobs (and neck, sorry Lisa! :))

After Lisa cleaned herself up, and me too, she caressed my body for a few minutes and we chatted away, until it was time to go.
