The Story:

After discussing my requiremnts. Crystal led me to the bedroom where we both undressed. She then introduced me to her toy collection of which she has many. This was a new experience for me. She slipped a vibrating ring toy onto my manhood and then asked me if I liked Oral. She then proceeded to give excellent covered O. Having not had sex for ages it wasn't long before I fired the old cannon for the first time. After plenty of skillful caressing by crystal it wasn't long before I was ready for action again. This time having sex in various positions before once again I could hold on no longer and erupted with a mind blowing orgasm made all the more intense due to the presence of such a sexy lady. We chatted for a while and Crystal suggested that next time I visit her we have sex in the shower. I am very much looking forward to my next visit. Thankyou Crystal for a mind blowing experience and for not rushing me out of the door bang on 30 minutes. Treat this lady with respect gents, she is a star.
