The Premises:

I was wondering around Attercliffe lonely as a cloud with my tom tom and spotted the sign, not far from a sex shop. So i went around the back of the building, plenty of parking, safe in daytime, not so sure about the night. I was just amazed about the interior. It looked like cafe (sex) society with food, drink, coffee and great hosts. The girls were lougeing about on chairs and sofa. rooms are great, though not ensuite though.

The Lady:

I spotted a girl at the end of the room and she was just beautiful. Slim, size 8, lovely black hair and short stylish hair. Mum warned me about quiet girls, yet i was drawn towards her. Her English was accented, eastern european.

The Story:

Probably the best punt i have had to date. She had a limited venue. Her kissing was just world class (costs extra ?10). We just clicked and went about business slowly and build up steam. Good sucking and with a mirror at the side of the bed, observed sideways workings with her wearing lovely black stockings. Wow and double wow. Made it this time too.
