### The Premises:

As mentioned before, safe venue with care parking. I realised that this was the centre of the red light area and discovered another venue nearby, including a sex shop. There was one heck of a seedy hotel there too, though did not explore there.

### The Lady:

Blonde, bold and businesslike. Her picture had just come onto the website so i was choosing on menu description which included A level.

### The Story:

For 100 you get everything so i opted for that. I wondered if i might be a bit big though she was very reassuring about the A bit - i was beginning to like her more and more. Fortunately another punter had been exploring there and so we started with that and it seemed to work ok. Swopped condoms for oral without and kissing was on the menu - hurrah. Lovely firm breasts and a body to hold and work with. Very enthusiastic and even suggested different positions. I am glad i waited for Kylie, though Leona took the best of me and i could not come again even with A route again etc. A draw then. Suggested could i tip her, i did for cheek and because i liked her.
