The Premises:

looked like a council flat, opposite a huge public car park. felt a little run down externally and inside was a little tired too.

The Lady:

great cheekbones, nice teeth and long legs. a good looking milf.

The Story:

I booked Charlize based on photos, and positive field reports.

I arrived and waited over 15 mins even though I had telephone booked 90 mins earlier, this was the only negative.

I don't have a 'type' of woman, just like there to be something different about them, and with Charlize you get a great milf who listens and responds immediately to what you want. It was like fucking my French teacher in my youth all over again... happy memories!

Dirrrty details: nice kissing, stripping, owo, ro, doggy facing mirror... then bingo! Then massage, cuddle, owo, reverse cowgirl, followed by doggy to finish off again.

Charlize made me smile with her fake moans, but I loved it that she did! Also bringing in a glass of juice on such a warm day was very kind. Thanks Charlize!

Quick shower and off I went.

p.s. I loved the service and the delicious look of the lady who showed me to the room, who is she?
