The Premises:

first visit and I was impressed

safe clean friendly and easy to find

some punters put off by the open house lounge waiting room but guys we are all there for the same thing

The Lady:

very good eye candy, fantastic skin and very well put together

The Story:

as said first visit and I had no booking but I believe I won the jackpot with Summa

started with a massage where Summa used those fantastic orbs on my back and buttocks, when I rolled over she gave me a full body to body massage, this soon stiffened the old boy in particular

when she teased his head with those nipples

she offered oral and had great eye contact

so onto the main event we had very athletic sex in three positions finishing in reverse cow girl where she rode her mount until close to death

WOW
