The Story:

First ever visit thought i had got lucky having Kylie because of all the good FR'S but sadly disapointed. SHE moaned my cock was too hard??? Then she gave me a half hearted BJ then on top for thirty seconds into mish wouldnt relax her legs so i could bury the little fella completly then on to doggy and she said not to hard!! I cold understand if my cock was 10" long but as my username says 7" long and 6" round!!
