The Premises:

I'm not going to go into explicit detail about what Bonnie and I got up to, but needless to say that it was an extremely pleasurable 30 minutes. I got what I had asked for, have a fair few ideas about what I would return for, and would most certainly meet with her again.

Why do I have to provide 150 words? Is this an essay for marking? I might just cut and paste instead.

The Lady:

Very petite lady, apparently under 5' tall. As has been said before, bears a passing resemblance to a young Jackie Onassis. Lovely Scottish accent, was dressed in a basque thing when I arrived.

The Story:

Very friendly lady, did her best to put me at ease as I was quite nervous. I thinking taking some chocolates (from Marks and Sparks, none of your ASDA nonsense) might have helped a little bit. Yes, all the services that were offered were accurately reflected in the escort's profile. The body to body massage is a must - a little hurried as I only booked 30 mins, and was keen to get to the main event, but that was entirely my choosing.
