The Lady:

Lovely blonde collar length hair beautiful eyes and a lovely cheeky little smile that melts your heart . about 5"6 in height toned lithe body nice pert little breasts and a peachy little bum. She came into the reception in a little black negligee with a a thong underneath and a bikini top and greeted me with a lovely little kiss and a promise of returning in a moment .

The Story:

She took my hand and led me into the bedroom and having dealt with the monetary side of things,. Launched herself at me with her tongue down my throat God i love this woman . She undressed me kissing me all the time and took me into her mouth for some o.w.o then onto the bed for some more o.w.o and kissing . So i offered the use of my tongue on her lovely shaven pussy and from the reaction she didnt fake it.Then more o.w.o with her vibrator buzzing against my balls . Then on with the waterproof jacket and into cowgirl and doggy to finish we then chatted for a little while . She is a first class punt and i look forward to a hour in her company . See you soon babe xxx
