The Premises:

HOD3, didn't really see much of it as I was taken to the downstairs private apartment, that was very comfy and clean as you would expect. Parking just outside too. Quite a few people milling around but as there are shops and flats etc you could be up to anything, so no problems.

The Lady:

Pics as per the website, although a little curvier and her hair is a little shorter. Still gorgeous though and dressed as a secretary as I requested.

The Story:

I have never understood why some reports don't go into details. I now realise that they want to keep the experience to themselves and after seeing Chloe I can understand why, and that is what I am going to do.

All I will say is that Chloe offers a full-on GFE with proper kissing (which is a first for me). She has a very easy going manner about her and we giggled through most of our time together.

The only disappointment is the 150 mile round trip from Brum (and in the pouring rain too!) to see her again.
