### The Premises:

Flat near Paddington, good clean place, safe location on a busy street.

### The Lady:

Slim lady about 5 foot 6. Considerably older than her stated 23 years old. More like 30 something.

### The Story:

Not sure what to make of this punt. She was hot and cold, started off well, she is a fairly good kisser and has a nice bod but the lack of English made things difficult. As the meeting progressed she seemed to look more bored and a long session of DATY didnt change things. Maybe we just didnt click, it happens. I wont go back but thats not to say she wont be good with others.
