The Story:

Some spare time in Stoke resulted in a chance phone call to HO and to find Becky was working today. I have seen Becky in the past but as I don't often bother these days our paths had not crossed for around 18 months.

Enter Becky, still as pretty as ever and all I will say is we had a very enjoyable time.

For new people wanting a romantic, girlfriend like experience then stay clear as this is a real foxy lady who is the naughtiest of companions and is not for the fake hearted.

Bloody enjoyable and MOST highly recommended and yes guys, she is as good as ever.
