The Premises:

Nice flat just off Covent Garden.

The madam was very nice and helpful, while I was waiting for Sonia to come in.

The Lady:

Sonia is very beautiful - long dark hair and as perfect and beautiful as an Indian girl can be. And that means very very very beautiful.

The Story:

FR89246 prompted me to write this and register as a user. Before I went to see them, I had been looking to visit Covent Garden Girls some time and I noticed that somehow every time they had a bad FR, the same 'guy' always had a great experience a week before or a week after at The Indian Palace in the same area. I did the math: those FRs are rubbish/advertisements to get people to go to IP.

This is a real FR on Sonia:

I'm a straightforward guy - she gave me a massage that developed into covered oral, we did mish, I looked into her beautiful eyes, I finished in mish, we chatted afterwards - and she is lovely - and YES, I will come back.

And why would I actually do that, when I can try (and have tried/will try) others girls: nice easy access, you can go for only 30 mins and everything just seem nice about the place and Sonia.
