The Lady:

Never been in on a Monday and this was a flying visit so had the first girl who was available. Turned out to be a busty brunette called Nicole. Gorgeous real big boobs and a very friendly lady. Nice massage, mormal service, normal position, but those boobs did the job jogging up and down under me. Thats all I need and this place usually has some busty ladies, pity the boss has retired, hers are enormous.

The Story:

Love this little place, clean, tidy and warm. Never had a bad time there yet.
