The Story:

after average service by mercedes at sandys i was feeling unfulfilled so rang round a few parlours and when i found out celeste was on at tj's went straight down there had shower when celeste came in she said hello and said i haven't seen you before have i i said no she moved to the bed and kissed me with tongues boy can this girl snog for england best kissing in ages and lots of it then she moved down to the old man and gave him some o without this is included in price nice oral nice and soft and plenty of it also licking my balls then moved up and sucked my nipples then more kissing i then sucked her nipples and more kissing back on to the oral then she rubbed her clit on my old man then i asked if she would let me give her some oral she said yes she loves oral well i licked and suck her tasty pussy then put a finger up while licking her clit she then asked me to pull her lips apart while i was sucking and licking her clit she was starting to moan now some girls when they get near move out of the way or push you away not celeste she soon came her pussy was well wet i then gave her a bit of rimming i asked if i could improve on this she said no you found the clit it was great she said

then on with the hat in cowgirl then doggy and mish then finished off with half oral half hand job she was doing a cover shift today she works Mondays and Saturdays what a girl go see her if i had this service at sandy's for 85 pounds i would give it 9 out of 10 as it was only 60 for 45 mins brilliant this will be hard to beat all year
