The Story:

It was my intention to book Christa, but seems she's not available so I met her friend Virginia. A little older than Christa but just as friendly. As soon as she removed her raincoat I knew I was in for a good time. She stood there in her heels, stockings and the sexy underwear.

She was interested in learning what I liked and what turned me on. Within minutes she was sucking away with some nice eye contact and a really good swirling action that certainly had me going. Returning the favour, she laid back for me to lap and finger away at her sweet shaven puss. No acting from this girl, just a nice juicy response from a girl that enjoys being licked and cums easily. After slipping the bag on it was time for some fucking, first doggy style then moving onto mish so that I could kiss her sweet lips again. After a while I took the condom off and exploded in her mouth.

A great time and without doubt one of the best, no rush, and no clock watching just great sex with a great intelligent, friendly girl.
