### The Premises:

Had some spare time and she is close to the station so we were in business

### The Lady:

She was wearing heels and stockings as requested and looked fabulous

### The Story:

With her dressed to thrill and me eager for action we were set for some fun. Soon in GFE and with kissing wanking and sucking to get me going things were great. Only fair to try and shag her brains out and a wonderful time doing it. Finished off in mish with her legs over my arms. Great hour and she is the business.
