### The Premises:

On busy main road and next to a bus stop. Yellow blinds and labeled sauna with first floor revealing the name. The place has not invested in decoration and there are only massage tables which life interesting. Very pleasant receptionists and ladies sitting on sofas, even saw a punter sat there too. Parking can be challenging as busy road and shopping area. ?12 room hire, no ensuite.

### The Lady:

I wanted to meet Priya from her description, no photos and at first she seemed plain and i bet she would transform with makeup. As she undressed, i trembled at the knees, she was just beautiful, lovely body and all.

### The Story:

It was like a dream, still dreaming about her. She is very quiet, yet attentive and most accommodating, though being high up on a coach made it exciting. What happened is between us. Would i want to see her again, oh yes please!
