The Premises:

Ok flat a few mins from the Lancaster Gate station, behind the hotel, easy to find.

The Lady:

Viv is the girl-next-door sort of girl. She is pretty and only 22 years old. She didn't wear any make up on the date so like this pictures minus make up and minus photoshop.

The Story:

Marketed as PSE and GFE but she is more the latter rather than the former. Ive had PSE experiences before, and she is definetly more GFE.

Viv is a really nice girl, down to earth and has the attitude of do what you want to do to me. But the problem was there was absolutly no passion involved.

When asked for a bit of kissing got some kissing, asked for oral got some oral. We did to OWO and CIM but that was about it. Ran out of time for second round. Was told to go to the cash machine.

Difficult to say really, perhaps I am a bit of an old guy and didnt interest her. But Viv is a really nice girl, but just felt she was a bit distant.

I would recommened but not re-visit.
