The Premises:

Very smart apartment in the city centre near the NIA.No worries about the location as nobody was around which is always good.

The Lady:

Shannon is a tall leggy blonde who dresses very sexily.About 5.6ft with breasts that are just right not huge but not too small.

The Story:

Greeted with a long kiss and hands all over me which really turned me on. Thenwe got down to my speciality hence my user-name and she was a very willing participant I always like vocal encouragement which I got in plenty. Then she returned the favour and she has a great tongue .Finally we did it in mish which was excellent but the treat was then to relax in each others arms and talk about plans for the evening. Treat this lady with respect and you are guarranteed to leave smiling.
