The Premises:

Reasonable house above a shop on the high street. Entrance from the rear is from a small car park up a long fire escape type staircase.

The Lady:

Tall, very slim, toned legs. Nice face.

Site says 25, which is probably spot on.

The Story:

Astrid was late coming into the room, but very apologetic and pleasant, so that wasn't an issue.

Nice kissing to start (although she smokes) and worked my way around her body as she stood. Focussed on her hot legs and made my way to her sexy rear.

She advertises "unconditional A-levels" which was my main reason for calling in. She popped a cover on my hard-on and I asked her to bend over the (very high) bed.

She uttered the words "Be gentle at first, then you can do what you want." What an invitation. My sizeable cock eased into her tight backdoor and I worked up to full pace. She offered a change of position, but this was working well for me.

Astrid made some nice sound effects and I finished in the bag.

Finished with a chat - nice girl.
