met at the door by both ladies and shown up stairs to the bed room Double bedroom, with large mirror big flat screen TV, and a Bed, a normal bedroom apart from the toys on the bedside table, When we got into the bedroom I had my arms full of blondes, lots of kissing and groping and they removed my clothes and there own, two ladies kneeling in front of me one sucking my cock the other licking by balls, and then swapping over. Then on to the bed, with plenty of French kissing, licking Oral with out, reverse oral, touching, sex, toy shows, fucking first one and then the other, left me shattered a great way to spend half an hour, I must see both of these ladies again!
