The Premises:

Sophie has a beautiful apartment in a fantastic location. I'm a bit of a lighting freak and she had what I could only describe as truly exceptional taste. Her apartment is something you would aspire to and her taste is second to none. The area is fab where many Arsenal and Chelsea football players live (so that says it all). I felt totally at ease in her environment.

The Lady:

To tell you the truth Sophie is the most wonderful, gorgeous lady and her personality is exceptional (you can't help falling in love with her and wanting to make her happy). If you can get over the feeling of sharing her with other men then you will be OK :o)

The Story:

I love having time with Sophie because as a man she is everything you could ever wish for ... She is beautiful, so sweet and wonderful person to spend time with, even if only to converse. I will endeavour to continue to see her until she is snapped up by the luckiest man on the planet.
