### The Premises:

See previous reports. Diamonds is a long established parlour near Arnos Vale cemetery. As its on the main road, it isn't very discreet but the area is fairly quiet.

### The Lady:

Early 20s, pretty, petite blonde.

### The Story:

I've never had a bad punt at Diamonds, and this was no exception.

Melanie offered a complete GFE, nice massage to start followed by kissing whilst letting me finger her. Then she gave me a cracking blow job, slow and sexy with eye contact. This was the most memorable part of the punt, as Melanie looked so horny with my cock in her mouth. During good sex in several positions, she constantly made appreciative noises. I'm sure she was largely acting, but who cares? She plays the part well!

She said she works Mon, Tues and Friday. Treat her well guys.
