The Premises:

Premises shared with other independent ladies, separate rooms, down at heel but discreet and adequate. Safe area near town centre with plenty of parking.

The Lady:

The photos on Linzi's website are genuine and give a good indication of her extrovert personality. She's certainly buxom and they're real! The thing I remember most about her appearance is that smile, full of devilment from start to finish.

The Story:

Linzi already has a good collection of accurate reviews which give a reliable taster of what you can expect. She clearly enjoys her work and put a great deal of energy into giving me a good time. There was no faking or going through the motions and she seemed interested in me as a person as well as a client.

I don't see much point going for a blow-by-blow account of the action, but rest assured that the action contained plenty of blowing. Linzi knows how to do deep, slow and sensitive.

When I mentioned doggy, Linzi looked a bit worried and said she thought that was illegal. If that's the case then I'm a serial law breaker. She soon burst into laughter, both of us realising that 'doggy' and 'dogging' sound quite similar when spoken quickly. However, if I had dared her to go outside onto the balcony with me, she might just have had the balls to do it. If not I would have lent her mine.

Missionaries would appreciate Linzi, but I doubt if many Jesuits have her gymnastic flexibility. Knees behind her shoulders ? yes, really! ? taking the full length in the mirror.

Tremendous fun, but not for the faint hearted.
